

Dreaming BIG...

Now that you've thought about the changes you'd like to make, create a detailed action plan. How much time will it take to see results? Estimate the cost of each step and determine whether you will need the help of talented people.

Entrepreneur Journal Five I See a Need

JA It's My Business!®

Name: _____

Social entrepreneurs focus their skills and passion to create products or services to improve the lives of those in need.

Entrepreneurial Characteristics

- Fill a Need
- Know Your Customer and Product
- Be Creative and Innovative
- Believe in Yourself

Here are some changes I can make to improve the world around me (for example, my neighborhood, my school) by being an entrepreneur:

Things to Think About...

Social entrepreneurs demonstrate the four entrepreneurial characteristics. They are passionate individuals. Successful entrepreneurs' words, which reflect their beliefs, often are powerful. In their quotes, they share their thoughts, fears, and interests. My favorite entrepreneurial quote is:

This quote is important to me because:
